Defendant.)	
)	

COMES NOW the United States of America, by and through counsel,
and submits this Motion for an extension of time to respond to defendant's petition
for early termination of probation.

Defendant has applied for early termination of probation. The court, at
Docket 268, ordered a response by the government. Government counsel learned

this day that counsel for defendant was incapacitated for the time being, and the court, at docket 270, continued the early termination hearing until February 27, 2008.

Counsel for the government is seeking further documentation regarding the payment of restitution. Therefore, in light of the continuance granted this day, the government would seek until February 19, 2008, to submit its position regarding the early termination of probation.

RESPECTFULLY SUBMITTED this 28th day of January, 2008, at Anchorage, Alaska.
